Strategic Plan 2021 - 2022

The Yountville Chamber's work is shaped by our Strategic Initiatives Document, which reflects the chamber's policy priorities in the business community, and our three-year plan drives organizational priorities of the chamber.

The strategic plan is focused on five key areas of the Chamber: economic development, visitor expectations, nurturing and cultivating productive relationships with stakeholders, running a sustainable business, and influencing the long-term direction of the Yountville brand.

A strategic implementation plan is developed each year by the chamber and reviewed monthly to measure progress on priorities and tactical success. The strategic plan is regularly reviewed and updated to ensure that it is aligned with the evolving needs and priorities of our members.

As a member of the Chamber or the community, we hope that this provides more clarity on the key priorities and initiatives of the Yountville Chamber Board.
